The 1st MRI Students' Conference

2nd of October, 2017
Medical Research Institute
The Great Hall

"It's time to network and excel"

The Conference Main Objectives

- Welcome and orient the new students at MRI, and introduce them to the regulations, their rights and duties.
- Increase the awareness about quality in education and the importance of seeking accreditation.
- Highlight the role of the Career Development Center and Entrepreneurship.
- Creating an environment for national and international students to network and participate in several activities.
- Engage alumni with activities held at MRI.
- Create a well-balanced environment that allows students and young researchers to excel and develop.

Conference Committee

Under the patronage of *Prof. Amal F. Allam*
Dean of Medical Research Institute

Head of Scientific Committee *Prof. Ibrahim Elakkary*
Emeritus Professor, Department of Human Physiology

Organizing Committee:

Dr. Shaymaa E. El-Feky
Executive Director of Quality Assurance Unit

Dr. Ola H. Elgaddar
Consultant of Quality Assurance Unit

Marwa Hemat
Assistant Lecturer, Department of Clinical
and Experimental Internal Medicine

Heba Fetiha
Demonstrator, Department of Histochemistry and
Cell Biology

Dr. Ola Sakr
Fellow, Department of Cancer Management
and Research

Heba Osama
Demonstrator, Department of Human Genetics

Webmaster *Hend Aly*
Assistant Lecturer, Department of Radiation Sciences

The Program main concerns

- Develop the students' talent and creativity.
- Increase the students' awareness about the latest knowledge and skills.
- Get the students in touch with academic and research community, and encourage them to use their scientific skills.
