

CURRICULUM VITAE

Name: Nancy Mohamed Ali Mohamed Attia

Nationality: Egyptian.

Religion: Moslem.

Date of birth: 27/06/1982

Country of birth: Alexandria, EGYPT

Social status: Married

Address: El Nasr street in front of Green Plaza, Teba Towers, ElRowda building,
Smouha, Alexandria, Egypt.

Telephone: 03 4237002

Mobile: 01006751585

E-mail: nancymohamedattia@gmail.com

Qualifications

- MBChB, Faculty of Medicine, Alexandria University, 2005
- Master degree in Diagnostic and Molecular Microbiology, Medical Research Institute, Alexandria University, 2012
- PhD degree in Diagnostic and Molecular Microbiology, Medical Research Institute, Alexandria University, 2015

Practical experience:

- Demonstrator of Microbiology in Microbiology department in the Medical Research Institute from 2007 till 2012.
- Assistant lecturer of Microbiology in Microbiology department in the Medical Research Institute from 2012 till 2016.
- Lecturer of Microbiology in Microbiology department in the Medical Research Institute from 2016.
- Have practical experience in bacteriological cultures and sensitivities, serological techniques (ELISA) and molecular biology techniques (conventional and real-time PCR, DNA sequencing).
- Member of Infection control committee in Medical research institute.
- Member of Quality Unit Team in Medical research institute

Current Job Description and Responsibilities

Teaching:

- Participation in teaching theoretical and practical courses for post-graduate students for master and PhD degrees in Diagnostic and Molecular Microbiology and “Infection Control” in the Medical Research Institute, Alexandria University.
- Supervising post-graduate students for master theses.
- Teaching practical courses of Diagnostic Microbiology and Medical Microbiology for undergraduate students, Faculty of science, Alexandria University (Industrial Microbiology and Applied Chemistry “IMAC” special program).
- Coordinator for the following course (Microbiology of Antimicrobial Agents) in Microbiology for the postgraduate programs “Master of Science in diagnostic and molecular microbiology”

Publications:

1. Helaly GF, El-Ghazzawi EF, Kazem AH, Dowidar NL, Anwar MM, Attia NM. Detection of Helicobacter pylori infection in Egyptian patients with chronic calcular cholecystitis. Br J Biomed Sci 2014;71(1):13-8.
2. Ghada Fahmy Helaly , Amel Gaber Elsheredy , Essam El Din Saeed Bedewy and Nancy Mohamed Attia. Sequence Heterogeneity in the Core and NS5A Region of Hepatitis C Virus (HCV) and IL-28B Polymorphisms in Predicting Treatment Response among Chronic HCV Genotype 4 Infected Egyptian Patients. Int.J Curr Microbiol App Sci 2017; 6(7): 2382-98

Workshops and Conferences:

- Active participation and preparation of the **Basic Molecular Biology Workshop** held at Medical Technology Centre, Medical Research Institute, Alexandria University from 16th to 19th July, 2011
- Infection Control principles Workshop organized by Infection Control Committee. Held at Medical Technology Centre, Medical Research Institute, Alexandria University from 24th to 25th February, 2013.
- **Laboratory Bio-Risk and Quality Management Workshop** organized by U.S. Naval Medical Research Unit No.3, Cairo Egypt. Held at Medical Technology Centre, Medical Research Institute, Alexandria University from 9th to 11th June, 2014.
- Active participation and preparation of the **Basic Microbiology lab Techniques Workshop** held at Microbiology department, Medical Research Institute from 15th-18th February 2016.
- **One Day Activity about "HCV in the era of DAAs" . Held at Convention Center, Alexandria Faculty of Medicine 31th March, 2016.**

- 1st Annual Conference of Laboratory departments of Medical Research Institute Alexandria University named “Critical Issues in Laboratory Medicine and Recent Advances in Lab Research: Together facing the future” held at Mediterranean Azur Hotel, from 7th-9th May, 2016
- 5th Annual International conference of Infection Control named "Prevention is better than cure" held at Alexandria Armed Forces Hospital from 12th – 13th October, 2016.
- 6th Annual International conference of Infection Control named "Novel Strategies in Infection control and Prevention" held at Alexandria Armed Forces Hospital from 12th – 13th October, 2016.
- The 23th Conference of the Egyptian Society for Medical Microbiology (ESMM) named "New Era of Microbiology" Held at Grand Nile Tower, Garden City – Cairo , 1st April 2017
- Active participation and preparation of Infection Prevention And Control: From Theory to Practice held at Microbiology department, Medical Research Institute from 4th- 6th July 2017
- 2nd Annual Conference of Laboratory Departments of Medical Research Institute Alexandria University named “Laboratory Medicine Updates, Better Cancer Management, Best Clinical Outcome” held at Mediterranean Azur Hotel, from 4th- 5th November, 2017

Supervision of Thesis

Master Thesis: 5
