

Curriculum vitae

Name: Aliaa Gamaleldin Abdelkader Aboul-Ela

Nationality: Egyptian.

Religion: Muslim.

Date of birth: 13/7/1983.

Social status: Married.

Address: 123 Tawaneyat smouha, Alexandria, Egypt.

Telephone: 03 4253463

Mobile: 0100 2104138

E-mail: aliaagamaleldin@gmail.com.

Certificates:

- MBChB, Faculty of Medicine, Alexandria University, 2007.
- Master of Science in Molecular and Diagnostic Microbiology, Medical research Institute, Alexandria University, 2014.

Practical experience:

- Assistant lecturer in the Microbiology department of the Medical Research Institute since 28/4/2014.
- Demonstrator in the Microbiology department of the Medical Research Institute from 16/11/2009 to 27/4/2014.
- Physician at El Matar health office from 1/3/2009 to 15/11/2009.
- House officer in Alexandria university hospitals from March 2008 to 28/2/2009.

Courses , meetings and conferences:

- ECG course in Egyptian Medical Syndicate January 2009
- ICDL course July 2009

- Medical research institute international annual conferences for 2009 and 2010.
- Egyptian Syndicate annual conference for laboratory health workers 2009, 2010, 2011.
- The 15th annual conference for Allergy and Immunology 2011.
- Fundamentals of molecular biology and bioinformatics level 1 research skills enhancement program at Medical Technology center 4-8 September 2011.
- Molecular Epidemiology and phylogenesis of infectious disease organized by Istituto Superiore di Sanita, Rome, Italy 19-21 March 2012.
- Workshop How to develop a project proposal at Alexandria Research center for Adaptation, 6-7 August 2012.
- Workshop Infection control principles 28-29 November 2012 at the Medical Technology Center.
- References and Data management using Endnote X5 workshop at Medical research institute 25 June 2012.
- US Naval Medical Research Unit No.3 workshop Laboratory Risk Management 11-13 June 2013.
- Medical research institute annual conference for 2012 and 2014.
- ESLM 25th Annual conference post conference workshop Quality Assurance and Antimicrobial Susceptibility Testing Interpretation in Collaboration with INSTAND (Germany), 5 April 2014, Ain Shams University Hospitals.
- Workshop Microbial Identification for the 21st century at the city of scientific Research and technological applications , 18 August 2014.

- Workshop on Sterilization and Disinfection in operating Room , Armed forces Hospital, 16 October 2014.
- Participated in preparation and execution of the workshop: Introduction to Molecular Biology techniques at the Medical Technology Center 20-23 October 2014.
- Organizer in the 2nd Annual Conference of Laboratory Departments of Medical Research Institute, Alexandria University “ Laboratory Medicine Updates, Better Cancer Management, Best Clinical Outcome” 4-5 November 2017.
