

Curriculum Vitae

(2012/10/16)

Personal Details

Name: Wessam Fahmy Hassan Ahmed El-Hadidy

Date of Birth: 1-1-1973

Country of Birth: Egypt

Marital Status: Married

Job: lecturer of Pharmacology-Medical research Institute-Alexandria University.

Contact

Address: 9 –Eloxor Street, from Delta Street-Sporting -Alexandria

Telephone: 03/5435256

E-mail: dr_wessam2002@yahoo.com

Mobile: 01224547007 - 01018970850

Qualification

1- Doctor of Philosophy in Basic Medical Sciences (Pharmacology) Faculty of Medicine - Alexandria University – Egypt (July 2010).

Thesis title was:

" A COMPARATIVE STUDY ON THE EFFECTS OF HORMONAL THERAPY, PROCAINAMIDE, SELENIUM AND LOVASTATIN ON EXPERIMENTAL MAMMARY CARCINOGENESIS IN RATS "

2- Master Degree in Basic Medical Sciences (Pharmacology), Faculty of Medicine - Alexandria University – Egypt (October 2004).

Thesis title was:

"A Study on the Possible Protective Effect of Some Antioxidants in Cigarette Smoke-Induced Oxidative Stress in the Rat "

3-MBBCH Degree in Medicine and Surgery," Excellent degree", Faculty of Medicine - Alexandria University – Egypt (October 1995).

Courses, Meetings & Conferences

1. Eighth Integrated Conference," **Diabetes from Theory to Therapy**" held in Thursday,24th March 2011 by Egyptian Association of Advancement of Basic Medical Science(EAMBS) and Egyptian Association of Diabetes. Faculty of Medicine, Alexandria University, Egypt.
2. Thirteenth Allergy Day conference held in 2nd June 2011 by Faculty of Medicine, Alexandria university, under title of "**Immunotherapy &Immunodeficiency**"
3. First scientific symposium held on Thurthday,16th February 2012 by Medical Research Institute, Alexandria University, under title of "**Gene Polymorphism**".
4. Journal club meeting held in 5th march 2012 by pharmacology Dept. Faculty of Medicine ,Alex University under title of "**Di peptidase inhibitors**".
5. Speaker at the second scientific symposium held on Thurthday,5th April, 2012 by Medical Research Institute, Alexandria University, under title of "**Alzeheimer's disease**".
6. Ninth Integrated Conference," **The Integrative Symposium on Renal Failure- Hand in Hand to combat Renal Failure**" held on April 22nd 2012 by Egyptian Association of Advancement of Basic Medical Science(EAMBS). Faculty of Medicine, Alexandria University, Egypt.

7. Fourteenth Allergy Day conference held in Thursday, 26th April, 2012 by Faculty of Medicine, Alexandria university, under title of "**Optimizing Management and outcomes of Allergic Asthma, Rhinitis, Urticaria and Immunodeficiency**"
8. Third scientific symposium held on Thursday, 17th May 2012 by Medical Research Institute, Alexandria University, under title of "**Immunomodulation**".

Supervision of Thesis

- 1- Thesis of Master Degree, Medical Research Institute, Alexandria University.
" Evaluation of beta- adrenergic receptors blockade and dopaminergic receptors stimulation as non conventional targets for management of the experimentally induced mammary tumor in rats." as a supervisor with Prof. Remonda Edward Rizk and Assistant Prof. Amany Hussein Kazem, 2011.
- 2- Thesis of Master Degree, Medical Research Institute, Alexandria University.
" A comparative study of the effects of epigenetic therapy, melatonin or cholecalciferol on experimental mammary tumor induced in female rats"
" as a supervisor with Prof. Dr. Remonda Edward Rizk and Prof. Hala Khalil Maghraby 2012.
- 3- Thesis of Master Degree, Medical Research Institute, Alexandria University.
" Evaluation of anticarcinogenic actions of different Peroxisome proliferator activated receptor ligands on DMBA- induced mammary tumor in female rats "
" as a supervisor with Prof. Dr. Remonda Edward Rizk and Prof. Dr. Malak Ahmed Zoheir. 2012.

Experiences:

1. From 10 / 2010 till now

- Occupation: Lecturer of Pharmacology, Medical Research Institute, Alexandria University, Egypt.
- Teaching courses at MRI:
 - 1-Clinical Pharmacology and therapeutics.
 - 2-Therapeutics in special patient groups.
 - 3-Elective Pharmacology ; Adverse drug reactions-
Drug receptors & signaling transduction
 - 4-Practical Pharmacology course for Master and PhD students.
 - 5-Methods in Pharmacology.
- Teaching courses at Faculty of Pharmacy, Pharos University in Alexandria:
Bioevaluation and drug screening;

2. From 03 / 2005- 9 / 2010

- Occupation: Assistant Lecturer of Pharmacology, Medical Research Institute, Alexandria University, Egypt.
- Teaching courses:
 - 1- Practical course of Pharmacology for Master and PhD students at MRI.
 - 2-Practical course of Pharmacology for undergraduate 3rd year students, Faculty of Medicine , Alexandria University.
 - 3- Practical course of Pharmacology for undergraduate 3rd year Malizian students, Faculty of Medicine , Alexandria University.
 - 4- Tutorial Classes in pharmacology for undergraduate 3rd year students, Faculty of Medicine , Alexandria University.

5- Tutorial Classes in pharmacology for undergraduate 3rd year Malizian students, Faculty of Medicine , Alexandria University.

3. From 06 / 1998 – 02/ 2005

Occupation: Demonstrator of Pharmacology, Medical Research Institute, Alexandria University, Egypt.

4. From 10/1997- 05/1998

Occupation: GP at Abiss health unit ,Alexandria, Ministry of Health, Egypt.

5. From 05/1997- 09/1997

Occupation: GP at Sidi Beshr beach emergency unit, Alexandria, Ministry of Health, Egypt.

6. From 3/1996 - 02/1997

occupation: House officer in Alexandria University'Hospitals

Others:

1- A founding member in the **Egyptian Association of Advancement of Basic Medical Sciences (EAMBS)**.

2-A member in the scientific committee, Medical research institute, Alexandria University.

3- A member in the culture committee, Medical research institute, Alexandria University.
