
Curriculum Vitae

(19/10/2009)

Personal Details

Name: Laila Abd-EL Hamid Gamal ELDin

Date of Birth: 14/12/1938 Country of Birth: Alexandria

Marital Status: Married and having two daughters

Religion: Moslem

Present Post : Emeritus Professor of Physiology- Physiology
Department

Job: Human Physiology Department – Medical Research Institute(MRI)
Alexandria university, Egypt

Seeking a reasonable position that would utilize my skills

Contact

Address: 13 Girga street, Ibrahemia Alexandria,UAR

Telephone: 03-5928352

Fax:

Affiliation

Egyptian

Qualification

- M.B.B.Ch; faculty of Medicine ,Ein-Shams university (May 1946,Good)
- Diploma in Physiology, Faculty of Medicine Alexandria university (September, 1973; Very Good).
- Doctor of Philosophy in Physiology from Poly Technic of Central London in September,1978.

Jop Esalation

- Demonstrator ;MRI-ALEX.UNIV;NOV1967.
- Assistant Lecturer; MRI-ALEX.UNIV;DEC1972.
- Lecturer Physiology Dept. faculty of Medicine,Tanta UNIV, DEC,1978
- Lecturer Physiology Dept, MRI, Alex, UNIV.SEPT,1982.
- Assistant Professor, Physiology Dept, , MRI, Alex, UNIV SEPT,1985.
- Professor, Physiology Dept, MRI, Alex, UNIV.Nov,1990.
- Head of the Department From 1/8/1996-31/7/1999.
- Emeritus, Professor of Physiology Dept, MRI, Alex, UNIV.

Appointments

Courses, Meetings & Conferences

- Anatomical Society of Great Britain and Ireland ;conference held at cardif in December1983;

- Anatomical Histochemical & Physiological changes of adrenalectomy. By F. Gobran, A.A Al-Awdan, N.Hassan and L.A.Gamal El Din. Departments of Anatomy, Histology and Physiology, Tanta faculty of Medicine, Egypt.
- Annual conference, faculty of Medicine Alex. University, Mays1983; By L.A.Gamal EL Din, I.Kelada, L.Bolous, Adrenal medullary response in prolonged challenge schistosoma mansoni infection. Physiology Dept. M.R.I. Alex. University.
- The Third Medicine Research Conference (22-24 October 1988). Oral Glucose Tolerance, Insulin Response and some lipid in patients with Chronic Renal Failure, A. EL Hefni, S., Abaza, A., Kundil, M., Foda, H., Kandil, S., Moghazi, Th. And Camal El-Din, L.
- The Fourth Medical Research conference & the first Egyptian-Italian Workshops (20-22 October 1990)
- Annual Medical Research conferences Up Till now.

Publications

1- A study of antidiuretic hormone and aldosterone in children with grand mal epilepsy as influenced by drug therapy.

El- Khateeb, M. Morsy, B. Gharib, M. El-Fatary L. Gamal El-Din H. Bedair

J. Egypt. Soc. Toxicol., 3:1 – 18 (1986)

2- Effect of intensive exercise training on zinc and copper metabolism

Ferial N. Mikhail, B. Mina, Laila, A. Gamal- El – Din and Amal F. Wadie

Journal of the medical research institute .Vol. 8(1987).

3- Effect of sex hormones on lipid metabolism in rats .

Hoda Nour, Kamel Zaki, Laila Gamal El Din, Amal Wadie, Maha Moustafa and Mohamed El-Mofty

Journal of the medical research institute Vol. 8(1987) supplement 2

4 - I₃₁I uptake of the thyroid Gland of guinea pigs on ethinyl oestradiol

H.A.El-sherbiny, L. Gamal El-Din, A. Wadie and H. Nour.

Journal of the medical research institute Vol. 8(1987)

5- Cortisol and growth hormones in protein calorie malnutrition.

Afaf El-Faras, Laila Gamal El-Din , Hassan S. Abdel Menem and Kamal Zaki.

Journal of the medical research institute Vol. 8(1987)supplement2.

6- Aerobic and anaerobic capacities in sprint and distance runners.

Ibrahim M El Akary, Laila Gamal El-Din, Hoda Nour, and Sanaa A Ibrahim.

Journal of the medical research institute Vol.9 No.2 (1988).

7-study of thyroid function in infants and young children with protein-Energy malnutrition .

Mohamed Khairy Aref, Laila Abdel hammid Gamal El-Din, Nadia Latif Hatem and Sawsan Mostafa Moussa

Journal of the medical research institute Vol. 11 No.1 (1990).

8 - oral glucose tolerance, insulin response and some lipids in patients

with chronic renal Failure.

- Zaki A, Safaa El- Hefni, Mona Aboaza, Mona Kandil, Hassan Foda, saad Kandil, Thanaa MoghaZi, and Laila Gamal El-Din.
Journal of the medical research institute Vol. 25-27 October (1986).
- 9 - Study of some aspects of homeostasis in the main varieties of coronary heart disease. Laila Gamal El-Din, Laila Ziada, M. Ragab, Said Kandil, and Samia Farag.
Journal of the medical research institute Vol. 11(1) (1990).
- 10 - Changes in beta-endorphin and acth levels in cancer patients with chronic pain in response to intrathecal morphine
Laila Gamal El-Din, Hanaa Kohail, safaa Kircha, Elham Abdel Meguid, M.I.A. Ramadan and Magda M.F. Mohasseb.
Journal of the medical research institute Vol. 11 No.3 (1990).
- 11- Serum and ascetic fluid cystinaminopeptidase (CAP) activity in diagnosis of ovarian mal ligancy.
o. Kandil, A.A.Saleh, M.Manieh, S.A.Wahab, M.Safouh, E.Sakr, F.M.Zaki &L.A. Gamal El- Din.
The Egyptian journal of medical sciences (Cairo, Egypt) Vol. 1/9/1984.
- 12-Anatomical, histochemical and physiological changes of the adrenal gland of rats as a result of unilateral adrenalectomy
gobran, F. Al-Awdan, A.A Hassan, N. and Gamal El-Din L.A.
Tanta Medical journal Vol. 21/3/1981.
- 13 - cyclic AMP changes in plasma & adrenals of female rats under the effects of medroxyprogesterone acetate (Depo-Provera) and cyproterone acetate & ethinyl estradiol (Diana).

- K.Zaki, A.El-Faras, R. Guirguis,F.M. Zaki,and L.A.Gamal El-Din
Journal of the medical research institute Vol. 11 No.4 (1983).
- 14 -adrenal medullary response in prolonged challenge schist soma
mansion infection .
Laila Gamal El-Din, Inaam p. kelada and laila and laila M.
Boulos
Journal of the medical research institute Vol. Fac, Med, March
12-15(1984).
- 15 - Plasma and tissue camp in experimental acute uremia in rats.
N. Mikhail A El-Feras, B. Mina, L. Gamal El-Din and K. Zaki.
Journal of the medical research institute Vol. XX No.4 (1984
Dec).
- 16 - Study of the plasma level of camp in rheumatic carditis with and
without heart failure.
M.K.Aref K. Zaki, N.L. Hatem, L.G. El-Din and H. Salam.
Tanta Medical journal Vol. 2/4/1984.
- 17- Study of blood glucose and camp in protein energy malnutrition
. .
K. Zaki, N.L. Hatem, L.G. El-Din and H. Salam.
Tanta Medical journal Vol. 2/4/1984..
- 18 – study of insulin and glucagon levels in protein energy
malnutrition
K. Zaki, N.L. Hatem, L.G. El-Din and H. Salam.
Tanta Medical journal Vol. 26/5/1984.
- 19 – Serum and ascetic fluid cystic amino peptidase (CAP)activity in
diagnosis of primary ovarian mal ligancy.
o. Kandil, A.A.Saleh, M.Manieh, S.A.Wahab, M.Safouh, E.Sakr,
F.M.Zaki &L.A. Gamal El- Din.

The Egyptian journal of medical sciences (Cairo, Egypt) Vol.
1/9/1984.

20 – A possible cause for anemia in chronic uremic patients on
haemodialysis .

N. Mikhail, B. Mina, N. Abou-Rawash, L. Gamal El-Din and A.
abdel-Aal.

Bulletin, Alexandria Faculty of medicine P.O. Box 14 Alexandria,
Egypt 7/8/19840
