Supervision of Thesis

Almost 25 thesis

Experiences:

Head of physiology department from 1/8/1999 till 31/7/2002

Member of permanent promotion for assistant professor
from 1/8/2002 till 31/7/2005

Others:

- Teach general physiology (Endocrinology and Metabolism).
- Principles of tests used to assess function in human physiology department MRI.
- Homeostatic regulation during stress, and other lectures.
