

Curriculum vitae

Personal details:

Name: Yosria El Sayed Ali Mousa

Date of birth: 9/1/1959

Country of birth: Alexandria

Marital status: Married

Jop: Assitant Consultant of Physiology .Medical

Institute : Alexandria Universty

Contact:

Adress:30. El Masafer Khana. street. elGomark. Alexandria

Telephone: 4816925

E-mail:

Mobile: 0101742940

Affiliation:

Member in the Egyptian Association of Advancement of Medical Basic Sciences (E.A.M.B.S)

Qualification:

-Ph.D. of zoology (physiology) .Faculty of Science, Alexandria University (oct.1997)

-M. Sc .Degree in zoology (Physiology), Faculty of Science, Alexandria University (May 1988)

-B. Sc with grade very good. Faculty of Science, Alexandria University (May 1981)

Appointements:

Assistant Consultant of physiology .Medical Research Institute Alexandria University (2007-2010)

-Colleague of Physiology (1999.2007)

-Technical Specialist of Physiology .Medical Research

Institute: Alexandria University (1983.2001)

Courses, Meeting & Conferences

- share in teaching the course of physiology of the preparatory courses to postgraduate at M.R.I
- Practical course of physiology .Medical Research .Institute
- Practical course of zoology in the faculty of Education (2000.2001)
- Training course of Basic Molecular Biology

Conferences:

- First Middle East conference on Recent Advances in the Management of cancer (medical Research Institute (1999)
- The 1st International Congress of the Egyptian Society of Hepatology , Gastroenterolog & Infectious Diseases (1999)
- Alexandria International Congress of the Egyptian Society of Endocrinology & Obesity (1999.2004)
- 10th Conference of the Medical Research Institute on Recent Diagnostic and Therapeutic Approches.2003
- 11th conference of M.R.I. on Evidence – Based. Medicine 2005
- 12th conference of M.R.I. on Advances in Medical Research 2006
- 13th conference of M.R.I. on Liver Diseases 2007
- 14th conference of (2nd International Medical Research Institute Advances in Medical Research (oncology) 2008
- 15th conference of M.R.I. on Stem cell & Nanotechnology 2009
- Symposiums of Egyptian Association of Advancement of Medical Basic Sciences in:
 - Feb (2004) on Obesity
 - Des. (2004) on septic shock
 - April (2005) on Hand in Hand Combating Osteoporosis
 - Feb (2006) Physical exercise in Health & disease

Publications:

1-El Sayed Y , Abdou SA and Abbas AO .Influence of short term aluminum treatment on iron metabolism in young and aged rats .Bulletin of High Institute of Public Health 2001;31 (3) :597-606

2- Abdou SA , El-sayed Y , shehata M , mohasseb M and Abd El-Rehim Effect of thyroid status on erythrocyte membrane sodium –potassium adenosine triphosphate and phospholipid in relation to plasma nitric oxide.The Alexandria Medical Journal 2002;44(2) :405-423

3-El-Sayed Y , Fawzy ME ,Dessouky SE ,Gad-SM and Affify TM.

Autoimmune thyroiditis in type 1 versus type 2 diabetics. J of Egypt.

Soc. Endocrin,etab,or Diab.2002;34(1):59-68

4-Mahmoud K , Ammar Y , salah E ,wagdi E,El sayed Y and Al-Abd E.

Some cardiovascular parameters in obese Egyptians in relation to a common promoter region variant of the leptin gene (First Egyptian Report)

The Alexandria Medical Journal 2003;45(2):344-385

5-Abdou SA , EL-Sayed Y , Rashad MM , Afadali G and Mady MA . Effect of chlorpyrifos on male reproductive system of adult male rats and male offsprings of exposed mothers during pregnancy and lactation . Journal of the Medical Research Institute 2003;In press.

6-Samia M Elewa , Amel L. El sawal , yosria,El sayed, Abd El – Aziz .M Belal .Role of Angiotensin converting Enzyme Inhibitor on the functional changes in Irradiated Rats. Bulletin of High Institute of Public Health 34(4) 2005

7-Hoda Nour , yosria El-Sayed, Maha M.Atia ,Amel L. El-Swaf ,Samia Melewa . Role of oxytocin as regulator of leptin secretion and its relation to biochemical markers (OPG & SRANKL) of bone resorption and formation .Journal of Medical Faculty 42(1) , 2006

Supervision of Thesis:

-M. Sc. Thesis

-Study of the relationship between bronchial Hyper responsiveness and

Transforming Growth factor –B1 in Asthmatics .Effect of Nigella Sativa (the candidate :Dalia Aly Rashad (2010)

-Study of plasma Adiponectin level in relation to insulin resistance and Tumor Necrosis factor – alpha (TNF.X) LEVEL IN OBESE POSTMENOPAUSAL WOMEN WITH breast cancer (condidate :shaimaa Abullah mohamed)(2009)

-Serum Selemium level lipid peroxidat ion and Glutathione peroxidase activities in patients with acute lymphoiblastic leukemias pre- And post –Induction chemotherapy candid: nahal Abel-hkam Ahmed (2009)

-Effect of chlorpyrifos unsecticide on reproductive system of adult male rates & male offsprings of exposed mothers during pregnancy and lactation (condidate:Menna Alla Magdy) (2003)

-PH.D Thesis:

-Study of the modulatory effect of sex hormone cytokines of T.helper cells in the pathophysiologic association between obsity & athmd (condidate:Eman Younis)(2008)

Experiences :

-Researches & teaching the course of physiology of the preparatory courses to postgraduates at medical research custitute .

-Teaching the practical course of physiology of the preparatory courses to postgraduot & at M.R.I .

- Teaching of general zoology .
