

Full Name:	Abdel Nasser Ismail Adam Hashem		
Address:	ARE-Alexandria Medical Research Institute, Alexandria university, 165 Al Horryah St. Al Hadara. Alexandria-Egypt.		
	Telephone:		Mobile: +201152842457
Personal Email Address:	naseradam@yahoo.com		
Nationality: Egyptian	Marital Status: Married	Date of Birth: 7/6/1963	

1. B.Sc. Faculty of Science, Alexandria University, 1985
2. M.Sc. Faculty of Science, Alexandria University 1991(**Studies on some central neurotransmitters in experimental uremia**).
3. Ph.D. Faculty of Science, Alexandria University in cooperation with The Second university of **Tor Vergata, ROME-ITALY**, 1995 (**Relation between TSH&PGE2 and some immunological parameters in mice vaccinated against S. mansoni**).
4. Associate Professor, Medical Research Institute, Alexandria University, 2003
5. Full Professor, Medical Research Institute, Alexandria University, 2015
6. More than 13 years of experience in innovational creative undergraduate and post graduate education at Riyadh Colleges of Dentistry and Pharmacy, KSA (2000-2013)
7. Familiarity with Quality assurance practices and accreditation processes in higher education.
8. Expert in academic advising for university students.

9. Active involvement in research activities.
10. **Professor and Head of Physiology Dept., Medical Research Institute, Alexandria University-Egypt (2018 till now).**

As Supervisor and examiner for Master Thesis

1. Supervised MSc. Entitled: Patient Satisfaction from Dental Services Provided by University Dental Clinics of Riyadh Colleges of Dentistry and Pharmacy: A Cross-sectional Study of Adult Patients.
2. "Knowledge and Attitude of Dental Health Professionals about Middle East Respiratory Syndrome in Saudi Arabia"
3. Examiner: Thesis in Dental Public Health entitled: The Effects of King Salman Center for Children Health on the Oral Health Knowledge of School Children"
4. Examiner: The prevalence of gingivitis and periodontitis among Kuwaiti population

Part of Publications

1. On the pathogenesis of platelet dysfunction of undialyzed and hemodialyzed chronic renal failure (CRF) patients. Bulletin Of Alexandria Faculty Of Medicine 43(1), **2007**
2. Effect of renal denervation on the glomerular filtration rate (GFR) and tubular function. Bulletin Of Alexandria Faculty Of Medicine 43(2) **2007**
3. Functional capacity of auto-transplanted versus homo-transplanted canine kidney after sodium chloride load. Bulletin of Alexandria faculty of medicine 43 (1) 2007
4. Effect of renal Ischemia / reperfusion injury on glomerular Filtration rate and tubular Function. Bulletin of faculty of medicine, Alexandria university, 43 (2), **2007**
5. Functional Significance of lipid changes under the Effect of Inhalational Anesthetics. Egyptian journal of endocrinology and metabolism. 39(1), **2007**.
6. Effect of electromagnetic field on thyroid function in rats. Bulletin of high institute of health. 38(3), **2008**
7. Renal response to metabolic acidosis in Basketball players. Egyptian journal of endocrinology and metabolism. 41(1), **2009**
8. Protective action of antioxidants on the remote effects of renal ischemia reperfusion injury. Australian Journal of Basic and Applied Sciences, 5(6): 581-589, **2011**

9. Local and Distant protective Effects of Ischemic preconditioning against renal ischemia reperfusion injury. Australian Journal of Basic and Applied Sciences, 5(6): 590-596, **2011**
10. Study the Possible Role of β 2 Adrenergic Receptor Gene in the Pathogenesis of Bronchial Hyperresponsiveness in Asthmatic Patients and its Relation to Disease Severity and Treatment Response. Journal of American Science **2012**;8(10)
11. Cardiotoxicity induced by cyclophosphamide in rats: Protective effect of curcumin. Journal of Research in Environmental Science and Toxicology (ISSN: 2315-5698) Vol. 2(4) pp. 87-95, April **2013**
12. Protective Effect of Lycopene against Nephrotoxicity Induced by Cyclosporine in Rats. Life Science Journal **2013**;10(2)
12. Role of leukotrienes in exercise-induced bronchoconstriction before and after a pilot rehabilitation training program. International Journal of General Medicine. **2013**:6 631–636
13. Preparation and evaluation of a multimodal minoxidil microemulsion versus minoxidil alone in the treatment of androgenic alopecia of mixed etiology: a pilot study. Drug Design, Development and Therapy. **2013**:7 413–423.
14. Some mechanisms of the protective effect of ischemic preconditioning on rat liver ischemia-reperfusion injury. International Journal of General Medicine. **2014**:7 483–489
15. Prevalence and guidance to resolve medical emergencies in dental practice: An overview. Farouk M. Sakr, Kais G. Al-Obaidy, Mansour Assery, **Abdulnaser Adam Mohamed J. Patel***, Fathy Al Behairy* Hidayatulla Shareef* Saudi Journal of Oral Sciences. **2016**, Volume 3, Issue 1 [p. 3-11]
Riyadh Colleges of Dentistry and Pharmacy, Riyadh, Kingdom of Saudi Arabia
16. Digitized dentistry: Technology that peaked up the professionalism of dental practitioners. Saudi Journal of Oral Sciences. **2017**, 3: 158
